## The First Presbyterian Church

Rev. Dr. W. H. Pheley, Minister.

While the Presbyterian Church is somewhat exclusive and stands for a high type of educated ministry and obligated eldership it is in reality one of the broadest churches in all Christendom in respect to its requirements for membership. Its standard is that of the simple Gospel, which says, "Believe on the Lord Jesus Christ and thou shalt be saved." If you thus believe you have a right to fellowship, and it is your duty as well as privilege to unite with the church, and to our communion we cordially invite you.

The Church Session meets at the close of prayer meeting, Thursday Evening, at 8:30 to receive members on confession of faith in Christ, or by letter from other churches.

Holy Communion service will be held Sunday morning at 10:30. Every member of the church should make a special effort to be present at this service.

## COLDS NEED ATTENTION

Internal throat and chest troubles produce inflammation, irritation, swelling or soreness, and unless checked at once, are likely to lead to serious trouble. Caught in time Dr. Bell's Pine-Tar-Honey loosens the phlegm and destroys the germs which have settled in the throat or nose. It is soothing and healing. Pine is antiseptic; honey is soothing—both together possess excellent medicinal qualities for fighting cold germs. Insist on Dr. Bell's Pine-Tar-Honey. 25c all Druggists.
